## Dynamo Solar Radio Flashlight

**GA26 Solar Radio Flashlight**

The Dynamo Solar Radio Flashlight is powered by turning a foldaway hand crank. It can also use sunlight to generate power. Even if your batteries are dead, you will still have an emergency radio and flashlight. As an added convenience it can also be powered by standard AA batteries or a 12VDC Adapter (not included). It performs three separate functions and is ideal for both indoor and outdoor use. The flashlight will allow you to see clearly at night or during a power outage. In an emergency, the siren and flashing light can be used to summon help. The AM/FM radio has a built-in speaker and the telescopic antenna provides great reception for listening to music, sports, news, or official emergency broadcasts.

## Dog Repeller

The Dog Repeller generates a strong Ultrasonic sound that can be heard by dogs but not humans. To discourage an approaching dog, point the Dog Repeller directly at the dog and press the button. A distance of 5 to 6 feet is the optimum operating distance, but the Dog Repeller is effective up to 20 feet away. Pressing the button for a few seconds will stop most dogs from coming closer. The Dog Repeller is also a great training aid when used with verbal commands and positive feedback. A red LED light is your assurance the Dog Repeller is working and the batteries are fresh. It uses a 9 volts alkaline batteries, not included.

## Terms & Conditions

It is the responsibility of the buyer, and not the seller, to ascertain, and obey, all applicable local, state, and federal laws in regard to the purchase, possession, and use of any item offered by D&D Security Products and Guard Dog Defense. If you are in doubt, consult your local or state law enforcement before ordering.

Absolutely no sales to minors.

By placing an order, the buyer represents that the products ordered will be used in only a lawful manner, and that he/she is of legal age and the buyer agrees with the terms, conditions, and policies documented on this web site.

## Warranty

- \* D&D Security Products warrants all products to be defect free at the time of purchase. If a product is received defective, D&D Security Products will replace that product free of charge.
- \* A Manufacture's warranty covers all products that become defective after the original purchase and during the product's warranty period. As an authorized dealer, D&D Security Products handles all warranty replacement for the manufacture for a nominal fee. See our return policy.
- \* Warranty returns must be authorized, see our return policy
- \* The warranty is void if the product is issued, modified, or physically damaged.

## RMA

### How to request a return authorization (RMA)

- \* E-mail [returns@ddsp.com](mailto:returns@ddsp.com). State the item being returned, the reason for the return and order number or order reference number found on the Sales Receipt. The Buyer will be issued an RMA number by return e-mail along with return instructions.
- \* An RMA is valid for 10 business days. If the product is not returned Within those 10 days, a new RMA must be requested.
- \* The RMA number must be printed on the outside of the package
- \* Seller is not responsible for returned items lost or damaged by the carrier.

## Return Policy

### Defective Product Returns:

- \* Products received defective will be replaced for free. Buyer must request a return authorization within 5 days of receiving the product to receive a free replacement.
- \* Products that become defective after 5 days but within their warranty period will be replaced for a service fee of \$15.00 to cover shipping cost to and from the manufacture and return shipping to the customer. This fee may be higher for large or multiple items or items being shipped outside the Continental US.
- \* Products may be returned for a credit if they are received defective or become defective within 30 days from the date of sale. Credit is for the product cost only, shipping charges are not refundable. A 25% or a minimum of \$10.00 handling fee is added for defective products returned for credit. After 30 days from date of sale, and within the warranty period, defective products can be returned for replacement only.
- \* Pepper Spray may not be returned unless received defective.
- \* If a product is returned as defective, however Seller's test lab determines the product not to be defective, it will be returned to the Buyer for a shipping & handling fee.
- \* No replacement or credit will be offered for products that have been misused, modified, or damaged.
- \* If the product being returned for a replacement is no longer available. If possible, a product of similar or higher value will be substituted or a credit will be issued at the Seller's discretion.
- \* Items sold as a close out sale can only be returned if defective.

### Non Defective Product Returns:

- \* If, for any reason, Buyer is not satisfied with the product received, Buyer may request to return it for a credit. If the request is made within 10 days of receiving the product and it is returned complete, in new condition, and in it's original packaging, a credit will be issued for the product cost only less a 25% restocking fee.
- \* If Buyer requests to return a non defective product after 10 days and within 30 days of the date of purchase, and it is returned complete, in new condition, and in it's original packaging, a credit will be issued for the product cost only less a 50% restocking fee.
- \* No credit will be issued for non defective returns after 30 days from the date of sale.
- \* If the wrong product is shipped to the Buyer by mistake, it will be replaced at no charge providing it is returned in unused condition and in it's original packaging.
- \* If an item is un-deliverable and returned to Seller by the carrier, a credit to the Buyer will be issued for the product cost not including shipping charges. If the delivery was not completed because it was refused by the Buyer, a 25% restocking fee will also be subtracted from the credit.
